

AWATEA COUNTRY

BED & BREAKFAST

Awatea is more than just an accommodation. Personal experiences are curated so that guests feel uniquely welcomed, safe and part of a wider community.

Awatea Country is a purpose-built B&B with its own dedicated guest wing and is set amidst 8 acres of manicured lawn, garden, native plantings, orchard & paddocks.

The guest wing comprises a spacious dining and lounge area with an open log fire for those cooler evenings and 4 double ensuite bedrooms each with a maximum occupancy 2pax.

Awatea with its animals is a country experience just 10-minutes away from the heart of the small, unique coastal town of Kaikoura.
