North Side 5 min drive

South Side 5 min drive

An aerial photograph of the Kaikoura Coastline in New Zealand. The image shows a vibrant blue sea with numerous rocky islets and reefs. In the foreground, four yellow kayakers are paddling across the water. To the left, a small coastal town is visible, nestled on a green hillside. In the background, a range of majestic mountains with patches of snow stretches across the horizon under a clear blue sky.

The journey starts here... where the
mountains meet the sea
